EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: the specification has been amended at the bottom of page 4 before the Detailed Description as follows:

--- Brief Description of the Drawings

The figures represent various graphs and results of separations as discussed in detail in the Examples below. ---

2. The following is an examiner's statement of reasons for allowance: The claimed method contains a combination of steps along with the stipulation of the use of acetic acid which are neither taught nor rendered prima facie obvious from the teachings of the closest prior art as cited.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bernard Lipman whose telephone number is 571-272-1105. The examiner can normally be reached on 8-5 Mon-Fri.
